BRIDGE REPAIRS ON U.S. ROUTE 302 IN HARTS LOCATION
WILL REQUIRE SINGLE LANE TRAFFIC FOR EIGHT WEEKS

The New Hampshire Department of Transportation announces bridge deck repairs are scheduled to begin Wednesday, June 4, 2003 on the U.S. Route 302 bridge over Silver Cascade in Harts Location.

This bridge repair work will require single lane traffic on the bridge for approximately eight weeks. Warning signs, barrels, concrete barriers, stop and yield signs and uniformed officers will assist motorists through the alternating traffic work zone.

Motorists are asked to use caution when driving through the work zone. Minor delays can be expected.
